PRESS RELEASE

Day of Caring!

St. Elizabeth, Catholic Charities

Preserving *dignity* for all...today and tomorrow

On Saturday, March 14th, Koetter Construction, held their Koetter Day of Karing at St. Elizabeth's Home in New Albany. Over 30 Koetter employees and their family members participated in this community event. Koetter Construction created this opportunity for their employees to give back to the local community thru a day of caring. Each year a local Non-profit organization is selected to receive the services of Koetter's employees for a one day labor intense and construction based project at their facility. The Koetter Teams activities included placement of a concrete sidewalk and patio, installation of two awnings, landscaping, exterior painting and installation of walkway pavers. This event helped enhance the quality of life for the residence of St. Elizabeth's.

St. Elizabeth's (a Catholic Charities agency of the Indianapolis Archdiocese) was selected because of the services to the community they provide, without regard to race, gender, nationality, religious affiliation or level of income. They are 'a Christ-centered support to the diverse needs of all people'.
